How to view Customer Profile Page

To view your customer information, click on “Profile” in the navbar. This redirects you to your personal customer profile..

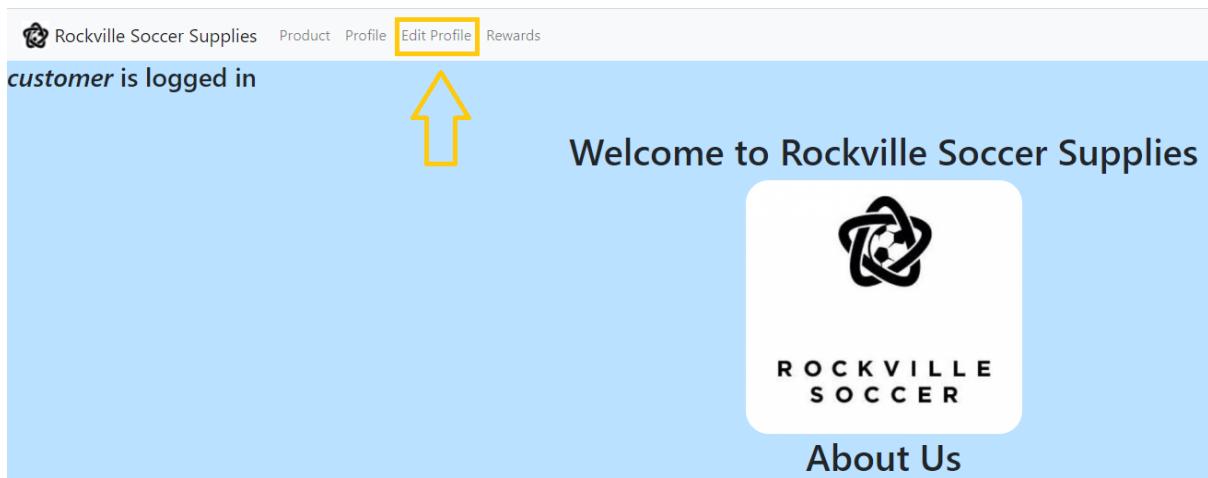

The customer profile displays your name, customer ID, username, email, phone number, Date of Birth, Gender, and Address. At the bottom of the profile is an “Exit” button that redirects you back to the home page

How to edit Customer Profile Page

To edit your customer information, click on “Edit Profile” in the navbar. This redirects to the “Edit Customer Profile” Page.

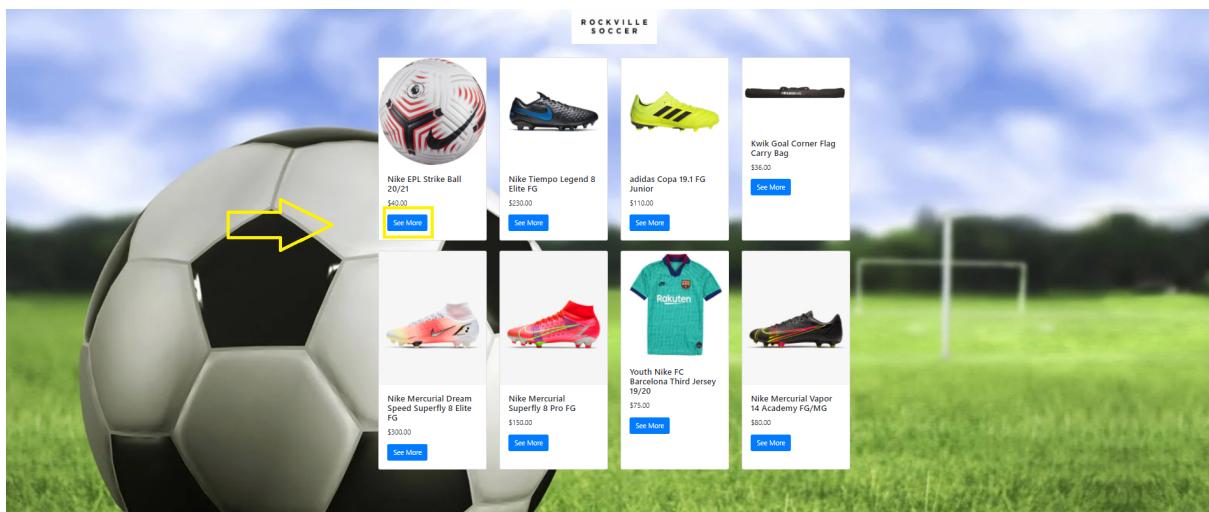

A screenshot of the "Edit Customer Profile ID 1" page. The page has a light blue background. On the left, there is a section titled "Customer Information" with various input fields: "First Name" (John), "Last Name" (Smith), "Username" (customer), "Email" (john.smith@gmail.com), "Gender" (M), "Street Address" (7506 Dickinson Ave), "City" (College Park), "State" (MD), and "Zip Code" (20877). On the right, there is a placeholder profile picture. At the bottom, there is a blue "Submit Changes" button, which is highlighted with a yellow box and has a yellow arrow pointing to it from the previous screenshot.

You can edit the provided information and click “Submit Changes” to save them. After submitting, you are redirected back to your profile.

Product Page

To start shopping online, click “Product” in the navbar. This will redirect you to the Product page. From there, you can browse the items Rockville Soccer Supplies has in stock. You do not need to be signed in to browse products; however, if you would like to add any items to the cart, you will need to first be registered and logged in as a customer (see Customer Registration section).

How to Place an Order

To place an order, one must first be logged in as a customer. Once logged in, simply click “See more” under any item on the Product page, and select the respective quantity, size, or color. Once you are satisfied with your selection, click the “Add to Cart” button.

If you are not already logged in as a customer, you will be prompted to do so. Once your item is added to the cart, you can click “Cart” in the top right corner of the screen to view your total.

To proceed with the purchase, the customer will need to input their shipping information into the lower half of the “Cart” page. The form will ask for the customer first name, last name, email address, and street address.

Once this step is complete, click “Submit Order and Pay Now” to be redirected to PayPal to complete the purchase.

How to Check Reward Points

To view your rewards, select “Rewards” on the navbar. The customer will need to be signed in to view their rewards points balance.

The rewards page displays the customer name, followed by the total number of points available for redemption.

Another method of checking rewards points is by clicking the blue “View Rewards” button from the Cart page. This button redirects to the Rewards page.

How to Earn Reward Points

When customers make a purchase, they earn half of the total dollar amount spent in rewards points.

For instance, a customer who makes a \$100 purchase earns 50 reward points.

Furthermore, customers can earn 25 rewards points by leaving feedback after their most recent purchase.

The following rewards can be redeemed...

500 points

\$15 off coupon

1,000 points

\$35 off coupon

Ready to Redeem?

1. Go to your cart
2. Click the redeem rewards button
3. Select your desired rewards item
4. The rewards item will be added to your cart with the discount! Just check out and you're set!

Earn 25 points by providing feedback on your most recent purchase experience:

To leave feedback on your recent purchase, select “Rewards” on the navbar. Type your feedback into the form at the bottom of the page, and press “Submit” once you are done.

Once the customer has enough points to redeem, those points can be applied to their purchase to receive a discount.

How to Apply Reward Points to a Purchase

The first step is to add an item to the cart. This can be done by first navigating to the Product page. Once you are on the Product page, select “See more” on any product listed, and select “Add to Cart”.

Once this step is complete, you can select “Cart” in the top right corner of the screen to view your total.

To redeem rewards, press the grey “Redeem Rewards” button to apply points to the purchase. Once this step is complete, the total price will decrease to reflect the number of reward points applied.

Customers with at least 500 points can redeem those points for a discount of \$15, and customers with at least 1000 points can receive a purchase discount of \$35. Naturally, a customer with less than 500 points cannot redeem any rewards until their available point balance increases.

How to Fulfill an Order

To fulfill new orders within the store, click on “FulFill Order” in the navbar. This redirects you to the fulfill order page that allows you to see and track your pending orders that were requested and ordered by customers. There are four columns that describe the pending order:

- Sale ID
- Customer ID
- Date
- Total Value

You click on “Mark Complete” when the items arrive at the store and the customers have picked up the items already. This page allows you to track your items and see which purchases have been fulfilled.

The screenshot shows the 'Fulfill Order' page of the Rockville Soccer Supplies website. At the top, there is a navigation bar with links for Home, Product, Employee, Fulfill Order (which is highlighted with a yellow box), and Inventory Management. A sign-in message 'employee is logged in' is displayed. Below the navigation, the page title 'Welcome to Rockville Soccer Supplies' is shown, along with the company logo and a brief 'About Us' section. The main content area is titled 'Orders' and 'Pending Orders'. It lists seven pending orders in a table format. Each row contains the Sale ID, Customer ID, Date, Total Value, and a 'Complete' button. The 'Mark Complete' button for Order ID 4 is highlighted with a yellow box.

Sale ID	Customer ID	Date	Total Value	Complete
3	29	2021-05-10	\$35.00	<button>Mark Complete</button>

24	1	2021-05-10	\$225.00	<button>Mark Complete</button>

How to View Past Completed Orders

To see past orders, you click on the “Fulfill Orders” button on the navbar. Then you scroll to the bottom of this page. When you fulfill an order by clicking on “Mark Complete”, the order automatically disappears and appears at the bottom of the “Completed Orders” Table located at the bottom of this page. There are four elements to this table that describe this section:

- Sale ID
- Customer ID
- Date
- Total Value

This table allows you to see past completed orders that have already been fulfilled for the customers. This can help you see your profits in detail for accounting purposes and see your customers’ purchase history.

The screenshot shows a web browser window with a list of completed orders at the top and a detailed table below it. The browser's address bar shows the URL: bmgt407.rhsmit.umd.edu/~bmgt407_2021s_08/fulfillorder.php. The list includes rows for Sale ID 44, 45, 46, and 48, each with a "Mark Complete" button. Below this is a table titled "Completed Orders" with columns: Sale ID, Customer ID, Date, and Total Value. The table lists 11 rows of data.

How to Update Inventory

To update the inventory and stock within the store, you click on “Product Management” in the navbar. This redirects you to the inventory list that displays all the products that are currently available in the physical and online store. There are four columns that describe the product

- Product name
- Price
- Size

- Quantity

On the right side of the site, there is an additional fifth column named “Add New Stock” that allows you to input new stock. New stock occurs when products arrive and get fulfilled. For example, let’s say 5 new Kwik Goal Corner Flag Carry Bags have just arrived, you find the “Kwik Goal Corner Flag Carry Bag” row, and go to the “Add New Stock” column. Then, you input 5. Finally, scroll all the way to the bottom of this page and click on “Update Inventory”. The new inventory amount should be updated.
